Dear Strut / Club

**An Unbeatable Offer: Join LAA for just £20\***

As someone who attends meetings and events organised by one of LAA's national network of Clubs I know that you have an interest in light aviation. It might be that you aspire to fly or even build or own your own aircraft, you may already do so. It may be that you simply enjoy the opportunity to be amongst others who share your interest and enthusiasm for aviation and attend the talks, social events and fly events that your Club organises.

Whatever the reason, I know that LAA has something to offer you. There are many benefits of being a full Association member:

- Membership of a national organisation dedicated to promoting the interests of light aviation and supporting a network of membership clubs and their activities;
- An award winning monthly magazine, Light Aviation, bringing you up to the minute news and articles about all aspects of light aviation;
- Discounted entrance to our own annual international rally (including free airside access) and other major general aviation flying shows;
- Access to LAA's educational courses providing a practical introduction to a wide range of skills for building and maintaining light aircraft;
- A wealth of knowledge and information, services, clothing and books provided by our HQ staff at Turweston.

If you've never thought of joining the LAA or perhaps you were a member in the past but have let your membership lapse, LAA is offering you as someone who attends our local Club meetings but is not a current LAA member the opportunity to join at an unbeatable price. For just £20\* we will give you a full year's membership as a Full Member entitling you to receive all the benefits listed above, and more offers we aim to introduce over the coming year. But hurry, this unbeatable offer is also unrepeatable! To obtain membership at this unbeatable price you need to apply before 1st June 2012.

As an added bonus, if after enjoying everything the LAA has to offer you decide to renew your membership by Direct Debit at the end of the first year you will receive a further £4 discount on the standard full member rate. To take advantage of this offer please talk to a Club official.

\*Applicants must not have been a member of LAA during the period 1 March 2009 to 31st May 2012. No entitlement to joining offer.

Yours sincerely

Graham Newby
